Forward Looking Information

This presentation, about Isracard Ltd. ("the Company") and its consolidated companies (jointly: "the Group"), is intended to be concise for convenience and does not exhaust all the data about the Group and its activities, nor does it replace the need to review the Company's 2023 and Q1/2024 financial statements as well as its current reports, (jointly: "the Reports") and it should be read together with the Reports. The information included in this presentation could include data presented in a different manner, preparation or segmentation to those in the Reports.

This presentation does not constitute an offer or solicitation to acquire the Company's securities and its content contains nothing to constitute a recommendation or an opinion or alternative to the investor's consideration.

This presentation contains programs, objectives, evaluations, assessments and information that relate to future events, including information regarding the Group's assets, future operations and liquidity.

The aforementioned information constitutes "forward-looking information" as defined in the Securities Law, 5728 – 1968 and may not eventuate, either wholly or partially or could eventuate materially differently to that expected. Forward-looking information is based on the Company's subjective estimate, inter alia, on facts and data regarding the Group's current business status, the state of payment and credit markets, and the state of the market known to the Company when preparing this presentation. It is also based on macro-economic facts and data, on which the Company relies without any ability to verify them, including reports and publications by various external entities, such as: Bank of Israel data and entities operating in the payments market (including credit card companies and other acquirers). The eventuation or non-eventuation of the forward-looking information is, inter alia, affected by developments in the Israeli and foreign payments and credit market, changes in the Group's workplan, changes in market conditions and in external factors

that have an effect on the Group's operations; by global and Israeli consumer conduct, the presence or absence of various resources in the Group, by the activities of entities and players in the Israeli and foreign payments and credit markets, by decisions made by various international entities and organizations with which the Group operates or those whose decisions have an effect on the Group, by changes in the volumes of activity and the number of the Group's cardholders, regulatory changes, accounting changes and changes in the taxation rules, changes in competitive conditions, technological developments, economic changes, macroeconomic changes, including changes in the inflation and interest rates in Israel and/or overseas and recession, the manner in which the "Iron Swords" War develops, its nature, duration, expansion and its local and global implications, by the ongoing progress of government actions and the Knesset for legislative changes, inter alia in relation to the judicial system and their implications, should there be any; by changes in the geopolitical situation, including the implications of the local and global political and security conflicts, changes in financing conditions and the effects and implications of all or some of these on the Group and changes in other areas that are likely to have an impact on the Group's operations and the corporate environment in which it operates, which are not under the Group's control and, which are likely to result in the full or partial non-eventuation of the assessments and/or changes in the business plan of the Company and/or to their eventuation in a different and even material manner from that forecast and eventuation of all or some of the risk factors that characterize the Group's operations.

The Company does not undertake to update or revise any estimation or information as aforementioned in order to reflect events or circumstances that occur after this presentation's preparation date.

Credit Loss Expenses

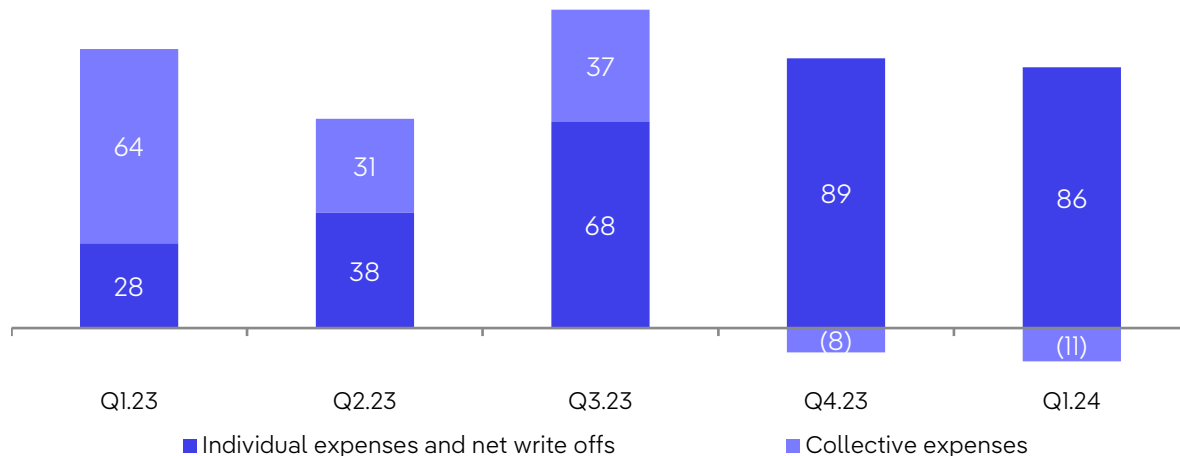

ILS million

Credit loss expenses in Q1/2024 amounted to ILS 75 million in comparison with ILS 92 million in Q1/2023. The decreased expense derived primarily from a decrease in the collective provision as a result of a more moderate increase in the overall credit portfolio in Q1/2024, which was offset in part from an increase in net write-offs and individual provision.

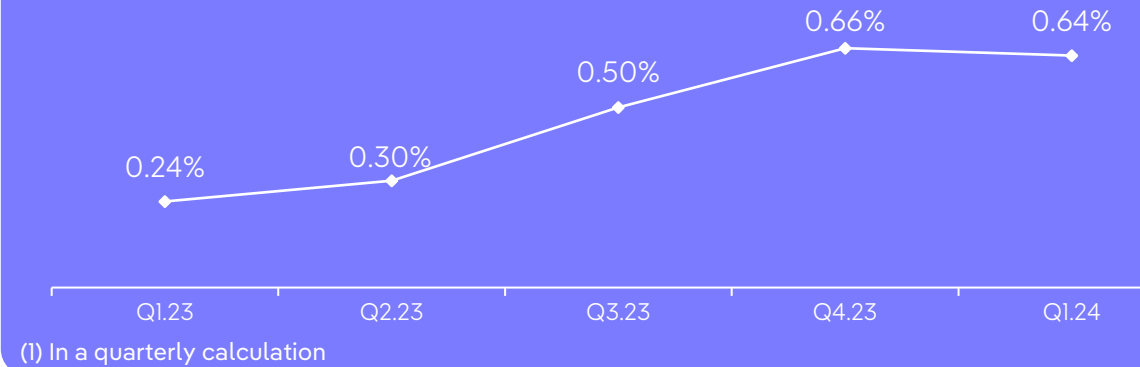

Total credit loss expenses

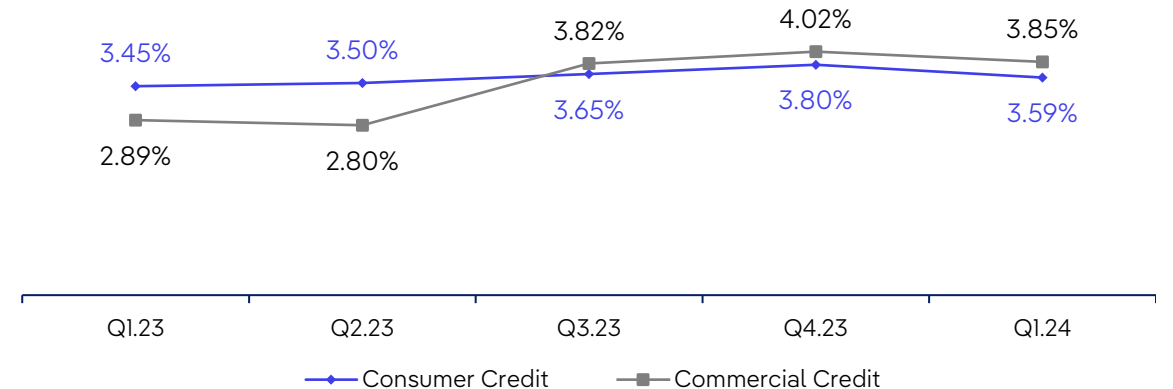

Credit loss expenses divided by individual expenses and net write-offs and collective expenses
